Service requested by : _____
 Signature : _____
 Date : _____

VI. TERMS & CONDITIONS

1. The waste generator shall request in the writing for the radioactive waste management service.
2. The waste generator shall comply and submit all requirements in accordance with the "Guidelines for Acceptance of Low-Level Radioactive Wastes by the PNRI-RWMF from Waste Generators" for approval of service request. Upon approval of request, the client shall secure a Permit to Transport for the waste package from the Inspection & Enforcement Section (IES) prior to transport to PNRI-RWMF.
3. The waste generator shall inform the *PNRI-RWMF* of the date of shipment before transporting the waste package at the facility.
4. The Institute is implementing a **CASH PAYMENT POLICY**. The services being requested will be provided only upon presentation of the Official Receipt.
5. Request is only valid for one shipment.

I have read and agreed with all the terms and conditions stated upon and other supplementary provisions regarding special conditions and/or agreement
